Created by: rpwertman@franklincountypa.gov · Your response: ✓ Yes, I'm going

Time

10am - 11am (Eastern Time - New York)

Date

Tue Aug 16, 2022

Where

390 New York Ave, Chambersburg, PA 17201, USA (Multi-purpose room)

Description

Good afternoon,

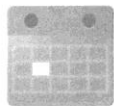

My name is Richard Wertman and I'm the new Planning Coordinator at the Franklin County Department of Emergency Services (DES). We will be kicking off the five year update to the Franklin County Hazard Mitigation Plan (HMP) on August 16th at 10:00 a.m. We will be meeting in the multi-purpose room here at DES. We will be identifying hazards for Franklin County, comparing our hazards to the State HMP and reviewing threat assessments. This will be an in person meeting.

As always, let me know if you have questions. I look forward to seeing everyone on August 16th!

Thanks,
Rich Wertman

Franklin County Hazard Mitigation Plan Update Meeting

The Franklin County Department of Emergency Services is hosting a combined kick-off and risk assessment meeting as a part of the 5-year update for the County's Hazard Mitigation Plan (HMP). The meeting will be held on Thursday, December 15, 2022, from 1:00 to 3:00 p.m. in the Multi-purpose Room at the Franklin County Department of Emergency Services, 390 New York Avenue, Chambersburg, PA 17201. Meeting participants will hear a progress report on the 2023 hazard mitigation plan update and be able to provide input. Public input is important and will result in a more comprehensive plan.

This plan outlines the natural and man-made hazards that are prevalent in Franklin County and proposes actions or projects that can be implemented ahead of disasters to mitigate the loss and damages. The HMP is a foundational document that helps define the threat environment for all emergency preparedness and planning efforts in the county and supports the goals and objectives identified in the Pennsylvania State Hazard Mitigation Plan. More importantly, the HMP enables the municipalities in our county, which adopt this plan, to compete for federal disaster mitigation funding.

The current Hazard Mitigation Plan can be found at:
https://www.franklincountypa.gov/index.php?section=des_mitigation_plan.

For more information, residents can contact Rochelle Barvinchack, Planning Coordinator, at 717-264-2813.

HMP Municipal Capabilities Assessment

Created by: Rochelle Barvinchack · Your response: ✓Yes, I'm going

Time

1pm - 3pm (Eastern Time - New York)

Date

Thu Feb 23, 2023

Where

390 New York Ave, Chambersburg, PA 17201, USA, DES-1-DES - Multipurpose Room (20)

Description

Please join us for our next HMP meeting, where we will focus on completing the Municipal Capabilities Assessment for all of our municipalities. We are coordinating with Matt McCullough from FEMA to assist in the review and the discussion of available resources within your municipality. This meeting will be instrumental in helping us to get a complete picture of what resources are in place within the County and help us plan mitigation solutions, so please make sure your municipality is represented.

HMP Mitigation Strategy Review

Created by: Rochelle Barvinchack

Time

1pm - 3pm (Eastern Time - New York)

Date

Thu Apr 20, 2023

Where

DES-1-DES - Multipurpose Room (20)

Description

The focus of this meeting will be to review the mitigation strategy responses that have been received. We will also have a status update on the HMP and the anticipated next steps. This meeting will have more of a municipal focus, but all are welcome to attend. Any municipality that has not yet participated should make plans to attend either this meeting or the draft plan review meeting that will be held in June. Links to draft sections of the HMP will be emailed out for review in the upcoming weeks.

Hazard Mitigation Plan Review Meeting

Franklin County Department of Emergency Services
390 New York Avenue
Chambersburg, Pennsylvania
Departments: Department of Emergency Services,
1:00 pm - 3:00 pm

[Add to calendar](#) | [Share](#) |

The Franklin County Department of Emergency Services will host a review meeting as part of the department's five-year update to the county's Hazard Mitigation Plan (HMP). The meeting will be held from 1-3 p.m. June 28 at the Franklin County Department of Emergency Services, 390 New York Ave., Chambersburg.

Participants will be updated on the draft HMP and will have the opportunity to provide input. Public feedback is critical to ensuring the plan is thorough and comprehensive.

The HMP outlines the more prevalent natural and man-made hazards in Franklin County and proposes actions or projects that can be implemented ahead of disasters to mitigate loss and damages. The HMP is a foundational document that helps define the threat environment for all emergency preparedness and planning efforts in the county and supports the goals and objectives identified in the Pennsylvania State Hazard Mitigation Plan. More importantly, the HMP enables the municipalities in Franklin County which adopt this plan to compete for federal disaster mitigation funding.

A 30-day public comment period on the 2023 draft plan will begin June 28. Draft sections will be available for public review and comment on the county's website, <https://bit.ly/3AXenG5> beginning June 12. Franklin County's current HMP is also available by visiting the county website.

For more information, contact planning coordinator Rochelle Barvinchack at 717-264-2813.

Franklin County Hazard Mitigation Plan Draft Plan Review Meeting

The Franklin County Department of Emergency Services is hosting a draft plan review meeting as a part of the 5-year update for the County's Hazard Mitigation Plan (HMP). The meeting will be held on Monday, June 26, 2023, from 1:00 to 3:00 p.m. in the Multi-purpose Room at the Franklin County Department of Emergency Services, 390 New York Avenue, Chambersburg, PA 17201. Meeting participants will hear a progress report on the draft 2023 hazard mitigation plan update and be able to provide input. Public input is important and will result in a more comprehensive plan.

This plan outlines the natural and man-made hazards that are prevalent in Franklin County and proposes actions or projects that can be implemented ahead of disasters to mitigate the loss and damages. The HMP is a foundational document that helps define the threat environment for all emergency preparedness and planning efforts in the county and supports the goals and objectives identified in the Pennsylvania State Hazard Mitigation Plan. More importantly, the HMP enables the municipalities in our county, which adopt this plan, to compete for federal disaster mitigation funding.

The current Hazard Mitigation Plan can be found at:
www.franklincountypa.gov/index.php?section=des_mitigation_plan

The draft sections will be available for public review and comment at the link above on June 12th.

For more information, residents can contact Rochelle Barvinchack, Planning Coordinator, at 717-264-2813.
